Summer 2018 @

At Camp Pine Lake, we strive to provide a Christian camping experience that is formative and transformational for each of our campers. We utilize the resources of talented, experienced, trained staff and volunteers, the beauty of Creation in the Pine Lake area, and some of the best curriculum the camping industry has to offer. This year campers will have fun with the theme "Beyond Belief! The Universe of God!" – exploring how God can be seen in the vastness of creation, the power of community, and even in their own hearts. Campers will discover how God's endless love launches amazing adventure and that God always has new mysteries to explore.

At all of our camps, we take a break from cell phones and other technology to engage with one another and with God's Creation. We hope to see you at camp!

Senior Youth

Tuesday, July 10 10 a.m. – Saturday, July 14 *with family lunch @ Noon*
Grades 9-12 \$200 per camper

A week of camp designed with older youth in mind. As with all of our camps, we take a break from cell phones and other technology to engage with one another and with God's Creation. We also take the next step in our canoes with an exciting trip down the river. The human body image conversations begun at Jr. Youth camp will continue as we further explore and reflect on the understandings of human beauty that we receive from God and from culture and how it impacts our relationships with ourselves, each other, and with God. These human body image conversations are guided by our most experienced and trained adult staff in small groups and then in a large group to reflect on the negative impact of the images we receive from popular culture and the positive, alternative values of the gospel. On the last day, campers will welcome their families to camp to share some of their camp experience and a picnic meal provided by camp.

Junior Youth

Sunday, July 15 3 p.m. – Thursday, July 19 *with family dinner @ 5 p.m.*
Grades 6-8 \$200 per camper

Youth explore through worship and activities, learning about themselves and their role in world. As with all of our camps, we take a break from cell phones and other technology to engage with one another and with God's Creation. They will also have an afternoon canoe journey on the lake. Junior Youth also take a special time to reflect on the understandings of human beauty that we receive from God and from culture and how it impacts our relationships with ourselves, each other, and with God. These human body image conversations are guided by our most experienced and trained adult staff in small groups and then in a large group to reflect on the negative impact of the images we receive from popular culture and the positive, alternative values of the gospel. On the last day, campers will welcome their families to camp to share some of their camp experience and a picnic meal provided by camp.

Middler

Sunday, July 29 3 p.m. – Thursday, Aug. 2 *with family dinner @ 5 p.m.*
Grades 3-5 \$180 per camper

A week for children to experience camp. Worship, crafts, games, hiking, swimming, campfires, singing and more activities will keep your child busy. They will live in cabin groups and then be mixed with small groups as they participate in the daily activities of camp. On the last day, campers will welcome their families to camp to share some of their camp experience and a picnic meal provided by camp.
